

SR 509 Future Phases

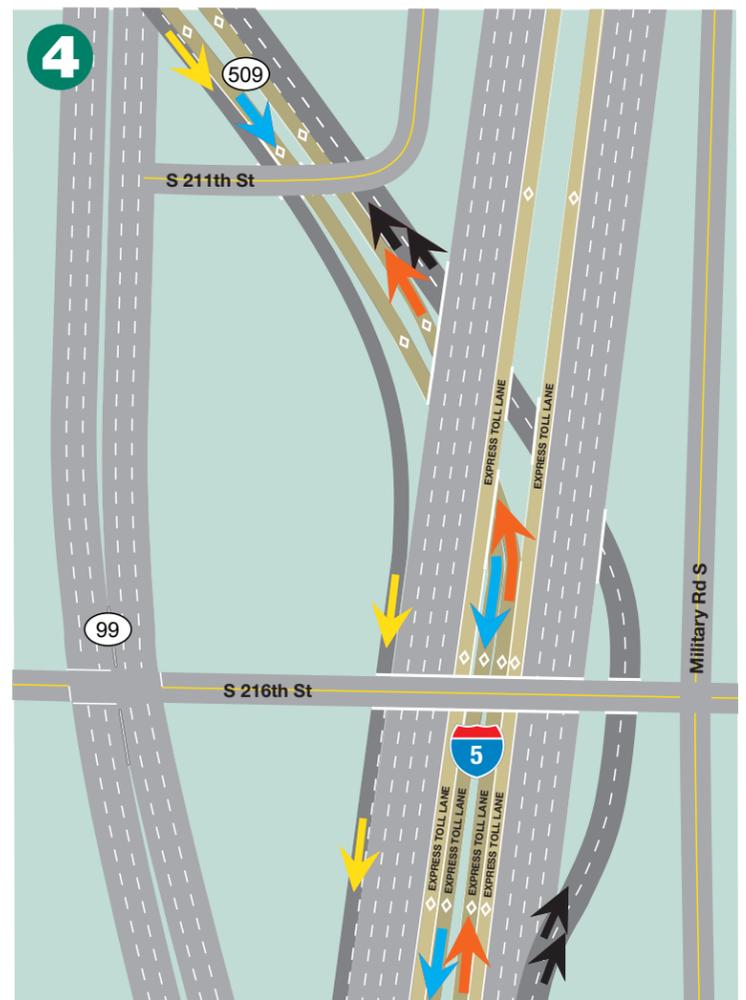

Complete interchange at South 200th Street and SR 509

Provide a direct access connection to Sea-Tac International Airport

Widen SR 509 to two lanes in each direction between South 188th Street and 28th and 24th avenues south

Future phases would add a second express toll lane in both directions of I-5 between SR 167 and SR 509, and build direct connections from the I-5 express toll lanes to both SR 167 and SR 509.
