Dear Mr. Gabel:

Congratulations! On behalf of the AASHTO Value Engineering Technical Committee, I am pleased to inform you that your submission was selected to receive the 2015 AASHTO Value Engineering Honorable Mention Award.

Your award will be presented at the AASHTO National Value Engineering Peer Exchange in Washington DC. In order to showcase this project, the award will be presented at the Conference during a special Awards Showcase session on Tuesday August 4, 2015.

Your award will be engraved with the following agency name and VE Study title:

Washington Department of Transportation
SR 124 Monument Rd/RR Xing - Construct Bridge

Please verify that this information is correct and provide any changes to Keith Foxx, Conference Chairperson by June 30, 2015. If you desire, we can prepare additional award plaques for the study partners, both internal and external to your organization, at your request. Simply specify the exact number of additional plaques you need and send \$100.00 per additional plaque to the address below by June 30, 2015. Your check for additional

plaques should be payable to **AASHTO VETC Peer Exchange Workshop**.
