

Lewis-Clark Valley Metropolitan Planning Organization

Annual Obligations and Closures Washington 2015

For the Federal Fiscal Year (FFY) 2015, Metropolitan Planning Organizations (MPOs) are required to report obligations of federal funds and closures of projects on an annual basis to be in compliance with 23 CFR 450.332.

The Lewis Clark Valley Metropolitan Planning Organization (LCVMPO) is the federally designated MPO for the Lewis Clark Valley.

The annual listing of 2015 Obligated projects in Table 1 includes the following:

- all federally funded projects authorized or revised to increase obligations in the past year;
- at a minimum include the TIP information under 23 CFR 450.324(e)(1) [*for each project or phase - sufficient descriptive material (i.e., type of work, termini and length) to identify the project or phase*]; and
- 23 CFR 450.324(e)(4) [*lead agency for the project or phase*] and
- identify for each project the amount of federal funds requested in the TIP,
- the federal funding that was obligated during the preceding year, and
- the federal funding remaining and available for subsequent years.

Table 2 lists the closures in 2015.

Many abbreviations are used in Tables 1 and 2. Preliminary Engineering (PE), Right of Way Acquisition (RW) and Construction (CN) are used in the Phase column and describe the three different phases of projects.
